5 easy-peasy steps to Order your painting

01.

Select Size

Check out our [Pricing](#) page and select a size fitting your budget and requirement

02.

Mail us the photo

Connect with us through instagram/whatsapp or on any social media platform. Share the picture/reference and your requirement.

03.

Discussion of changes/ customizations if any

Feel free to mention any changes or customization you need in the painting. If there is any, we'll make a digital layout and once you confirm, we'll begin with the painting.

04.

Easy advance payment options

To confirm the order, just make an advance payment of 30-50% depending on size. Pay easily by UPI or bank transfer.

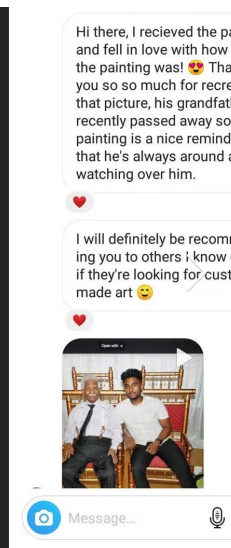

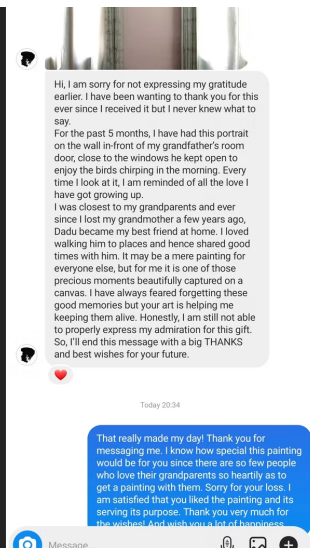

05.

Get painting delivered to you

Just sit back and relax while your painting is being made. Takes around 7-10 days. You will be given the estimate time. Once you approve the painting in picture, complete the balance payment. Painting will reach you in a few days after dispatching.
